Objectives:

➤ Looking for an opportunity to attain first hand working experience of a Corporate Environment.

Introduction

I am a graduate from *University of Bahrain* successfully completed my Undergraduate Qualification in banking & finance with minor accounting on 2017/2018 .I want to progress my energies in the field of finance _ Accounting .

I have the ability to grasp new techniques and theories at an accelerated pace and will do all that is necessary to achieve the desired goal. I am eager to expand and diversify my skill-set and functional base since companies these days are far more interested in employees with knowledge in multiple interrelated fields rather than just one. Provided with the opportunity, I am willing to prove my worth with the potential employer.

Strengths:

- Special affinity with numbers which allows me to tackle any task with great ease.
- Efficient at undertaking critical analysis and usually find unique methods to solve problems.
- Good interpersonal skills
- Team Player
- Ability to work under pressure, however want to test this under a real time corporate environment
- Hard-working, committed and adaptable
- Quick Learner
