**Date of Birth:** 21/3/1994

☎ +973 38785000

**CPR Number:** 940301415

### Profile

A highly efficient, methodical and ambitious engineer, who has general experience in engineering, management, leadership, problem-solving, quality assurance/control, automotive and manufacturing.

I am an open-minded, friendly, resourceful, and energetic person who has developed a mature and responsible approach to any task that I undertake. I possess an excellent ability to motivate others, coupled with the ability to communicate comfortably at all levels and with a high degree of cultural awareness.

### Objective

To work in a leading company that appreciates creative and innovative thinking, to make a difference in the engineering world.

### Skills

#### SOFTWARE

- PLC Programming (Basic) - Microsoft Office (W, E, P, Project) - Proteus 8 Professional
- Multisim - AutoCAD - Matlab, Solidworks.

#### INTERPERSONAL

- Analytical diagnosis and Problem solving
- Growth mindset
- Initiative and Resilience
- Draw Engineering Drawings
- Mentoring / coaching skills
- Teamwork skills
- Read and

### Education

<b>Linton University-Malaysia</b> B.Sc Electrical And Electronic Engineering –	2014-2017
<b>Linton University-Malaysia</b> Foundation in Electrical and Electronic Engineering	2012-2013
<b>Ahmed Al-Omran Secondary School</b> Science	2009-2012

### Project

#### **Over and under voltage protection system | senior project** 2017

I designed a hardware prototype for protection of household appliances against transient overvoltage and under voltage and it corresponding effects on circuit.

## Experiences

### **Green Building Engineering**

Electrical Engineer

Oct, 2017

---

## Abilities and Interests

- Leading and working confidently within a group.
  - Working diligently and efficiently.
  - Effective communication & interpersonal skills.
  - Interested in Electrical engineering and operations.
  - Good time management skills.
  - Interested in creative, innovative and reliable design and solutions.
- 

## Members

- The Council For Regulation the Practice of Engineering Professions
  - Bahrain Society of Engineers.
  - Licensed As Electrical Installation Wireman  
Electrical Installation Engineer Licence (EWA)
- 

## Languages

- Arabic | Native Language.
- English | Very Good.
