Personal statement

A recent graduate from Sitra secondary girls school (2018). Have studied at university of Bahrain in computer science for one year, then converted to accounting business(same university). Looking for any suitable position in your organization. I look further to develop my skills and knowledge in a practical and fast-paced environment. I have a clear mind to see things through to completion. I'm eager to learn and I have a genuine interest in account and mathematics. I have talent in applying make-up and skin care.

Education

2017-2018: graduated from Sitra secondary girls school in excellence with honors.
2018 - recent: Student at University of Bahrain.
