Dear Hiring Manager,

I, Sura Alnoaimi, am a **Radiologic Technologist**, graduated from **Jordan University of Science and Technology**. I have gained, over the years, experience in various fields of life which makes me distinctive among others.

I always believed that to become successful I should work from a young age. For this reason, I never left an opportunity to go untouched. The following experiences prove that:

- Worked recently as a **Manager** with **I-Tech Academy** in **Jordan**.
- Worked earlier as a **Marketing Representative** at **Oksoonly Company** in **Jordan**, and
- Completed my **Postgraduate Training Internship** at **King Abdullah University Hospital (KAUH)** in **Jordan**

With a willingness to grow more every day, I face challenges as opportunities which make me stronger. My **communication** and **team working** skills not only helped me in my academic career but also do so at my workplace. Over time I've learned great **decision-making** skills. Moreover, I always come up with new ideas to make the team achieve the goal in the best possible way.

I hope with this skillset I will be an ideal candidate for this opportunity.

Looking forward to hearing from you.

Sincerely,

Sura Alnoaimi
